Taurus is an Earth sign and has the ability to see things from a grounded, practical and realistic perspective. They find it easy to make money and stay on same projects for years. What we often see as stubbornness can be interpreted as commitment. This makes them excellent employees, great long-term friends and partners, always being there for people they love. They can be overprotective, conservative, or materialistic at times, with views of the world founded on their love of money and wealth. The ruler of Taurus is Venus, the planet of love, attraction, beauty, satisfaction, creativity and gratitude. This tender nature will make Taurus an excellent cook, gardener, lover, and artist.
